- Expert advice, training videos and easy access to social networking tools
- Streamlined content in a variety of mediums to keep participants focused and engaged

The Business Intelligence You Deserve

Get critical business intelligence and stay up-to-date on the progress of your transitioning employees with PowerMyCareer[™] Client Dashboards and On-Demand Reporting. Customize your dashboard to easily view your total spend or program utilization, engagement status, satisfaction ratings, and landing figures for your participants. On-Demand Reporting provides you with historical data in just a few simple clicks. With this crucial information at your fingertips, it's easier than ever to track your return on investment.

The Customization You Desire

Champion your brand as an employer of choice! Customize PowerMyCareer[™] with your corporate logo and company content to keep departed employees informed of relevant news, information, and events. Accelerate the success of your transitioning employees by including Skillsoft CPI350, our custom curriculum of e-learning courses designed specifically for participants in transition. With over 350 courses, Skillsoft CPI350 empowers participants to enhance existing or gain new skills to remain competitive in the marketplace and attain their career objectives more quickly.

Mobilize It

PowerMyCareer[™] is easily accessible anywhere, anytime and by any web-enabled phone, tablet, laptop or computer! As a web-based platform, there are no complicated apps or operating system issues to address.

Experience It

Get PowerMyCareer[™] now! With access to fantastic business intelligence and the same great tools as your participants, you can experience first-hand the depth of this global technology for you and your transitioning employees.
