

Learning Dynamics Joins Career Partners International to Elevate the Talent Development and Career Transition Market in Connecticut

Career Partners International welcomes Learning Dynamics from Hartford, Connecticut to the organization. Learning Dynamics' approach of partnering with clients and customizing coaching sessions mirrors CPI's high-tech, high-touch style.

Hartford, Connecticut – November 27th, 2018

Career Partners International (CPI) is pleased to announce that Learning Dynamics has met the rigorous qualifications to become a CPI firm, bringing their expertise and strong reputation in the Hartford, Connecticut region. CPI has over thirty years of outplacement and talent development experience, inviting into the global CPI Partnership only those firms who meet our high standards of quality coaching services and client engagement.

"It is our pleasure to welcome Learning Dynamics to Career Partners International. At CPI we take pride in offering the world's most effective talent development and career transition services. Learning Dynamics' coaches have decades of real-world experience and are proven to meet and exceed our high delivery standards. They partner with their customers and take the time to understand their unique needs, making them a perfect fit for our organization," says Doug Matthews, President and CEO of Career Partners International.

Learning Dynamics takes a flexible approach to talent development by offering customized programs in formats that best fit their clients' workplace. This high-tech, high-touch approach mirrors CPI's approach to coaching. "We are delighted to have been selected as a CPI partner firm. Our team is very much looking forward to collaborating with the CPI staff and the other firms who are part of the CPI family," said Jim DeMaio, President of Learning Dynamics.
